Attorney Docket No.

DECISION ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed July 23, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely pay the issue fees on or before December 20, 2007, as required by the Notice of Allowance and Fee(s) Due, mailed September 20, 2007, which set a statutory period for reply of three (3) months. Accordingly, the application became abandoned on December 21, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the issue fee of \$720, (2) the petition fee of \$770; and (3) a proper statement of unintentional delay. Accordingly, the Issue Fee payment is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to Tredelle Jackson at (571) 272-2783.

This application is being referred to the Office of Data Management for processing.

## WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application.
